

Membership Application Tutorial

OKIE811 Membership Application

An OKIE811 Member is a facility owner/operator that is notified by OKIE811 when digging will take place near their underground facilities.

Billing Information

The billing contact information is used to send billing related messages, such as invoices, payment reminders, etc. Billing contact information, name, phone, email address and billing address will be displayed on your invoices.

Billing Information

- Company Name - *Legal name of Company financially responsible for this membership.*
- Billing Contact
- Email - *Enter comma to separate email addresses when entering more than one email address.*
- Billing Address
- Phone
- Physical Address - *Can select to Auto Fill if Physical is the same as Billing Address.*
- Industry Focus - *If you are not a Municipality or Rural Gas, Water or Sewer District select **Does Not Apply.***

The screenshot shows a web form titled "Billing Information". It contains several input fields and a dropdown menu. The fields are: "Company Name*", "Billing Contact*", "Email*", "Billing Address*", "Apt/Suite/Other", "City*", "State*" (with a dropdown menu showing "-- Select a State --"), "Zip +4 Code*", "Phone*", "Ext", "Fax", "Physical Address", "Apt/Suite/Other", "City", "State" (with a dropdown menu showing "-- Select a State --"), "Zip +4 Code", and "Industry Focus*" (with a dropdown menu showing "Does not apply"). There is also a checkbox labeled "Physical is the same as billing address." and a note: "Complete applicable fields that apply to your industry."

Authorized Contacts

Authorized Contacts

- Contact Name
- Contact Type – *Click  above contacts to learn more about the different contact types and each level of access.*
- Contact Phone
- Contact Email
- Alternate Contact Phone
- Select **Add Another Authorized Contact** to add an additional contact. You can add as many authorized contacts as you need.
- If you decide you no longer want to add that contact and wish to remove the information from the application, select **Remove** at the top right corner of the field.

Authorized Contact

The information members have on file with OKIE811 is closely protected. Only authorized contacts listed on your account can make changes to the information on file. The authorized contacts are personnel you have selected to maintain your account information. These contacts are also the recipients of the important messages from OKIE811. Below are the different contact types and their level of access to your account.

Contact Name*		Contact Type*

SUBMIT FORM

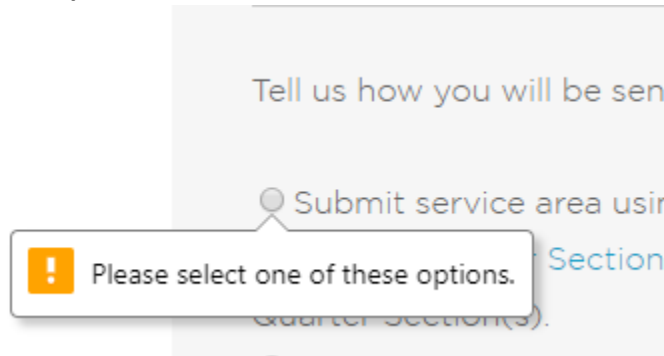

Troubleshooting

- The form will not submit if you missed a required field or did not select an option.
 - Scroll up and under any required field that is not complete you will see **This field is required.**

A screenshot of a form field, which is a rectangular box with a thin border. Below the box, the text "This field is required." is displayed in red.

This field is required.

- If a field that needed to be selected was missed, you will see **Please select one of these options.**

A screenshot of a form with a tooltip error message. The background shows a form with the text "Tell us how you will be sen" and "Submit service area usir". A tooltip box with an orange exclamation mark icon and the text "Please select one of these options." is overlaid on the form. The tooltip also shows the word "Section" and "Quarter section(s)." in the background.
