

POSITIVE RESPONSE CODES

Below is the list of actions/responses that members will use when responding to the locate request through OKIE811 Portal. There will also be a comment box where members can include additional notes.

The Positive Response Codes can be used by automated upload response system in place of actual wording.

Codes	Action Title	Definition	Status
1	Site Marked	<i>Facility located and marked at the site</i>	Closed
2	Clear	<i>Facility is not in conflict with dig site described on the ticket</i>	Closed
3	Other	<i>Explanation in comments</i>	Closed
4	Partially Marked/Large Project	<i>Facility owner and excavator have agreed and documented a marking schedule, marked based on agreement</i>	Open
5	No Access/Not Marked	<i>Unable to access dig site and unable to reach excavator</i>	Closed
6	Correction Required/Not Marked	<i>Please call OKIE811 and provide additional or correct information</i>	Closed
7	Critical Facility/In Conflict	<i>Facility representative contacted excavator to agree on excavation time as owner/operator must be present during excavation to identify facility and/or monitor excavation</i>	Open
