2011 Safety Programs

Published in the APWA December 2010 newsletter

Attend the Call Okie County Employee Safety Programs to help you avoid costly mistakes when excavating near underground facilities. Call Okie will explain the key steps and identify the common mistakes associated with every day excavations. You will learn:

- When to Call
- Dealing with accident investigations
- What is 811?

The meetings will start at 10:30 AM followed with a 30 minute presentation. Attendees will receive a FREE catered lunch and there will be an opportunity to meet and visit with several of the county and underground facility representatives. Every attendee will receive free gifts and a chance at winning several door prizes provided by our members.

Who should attend?

County commissioners, public works, safety directors, field superintendents, engineers, equipment operators and employees - anyone that excavates.
